Chillaz

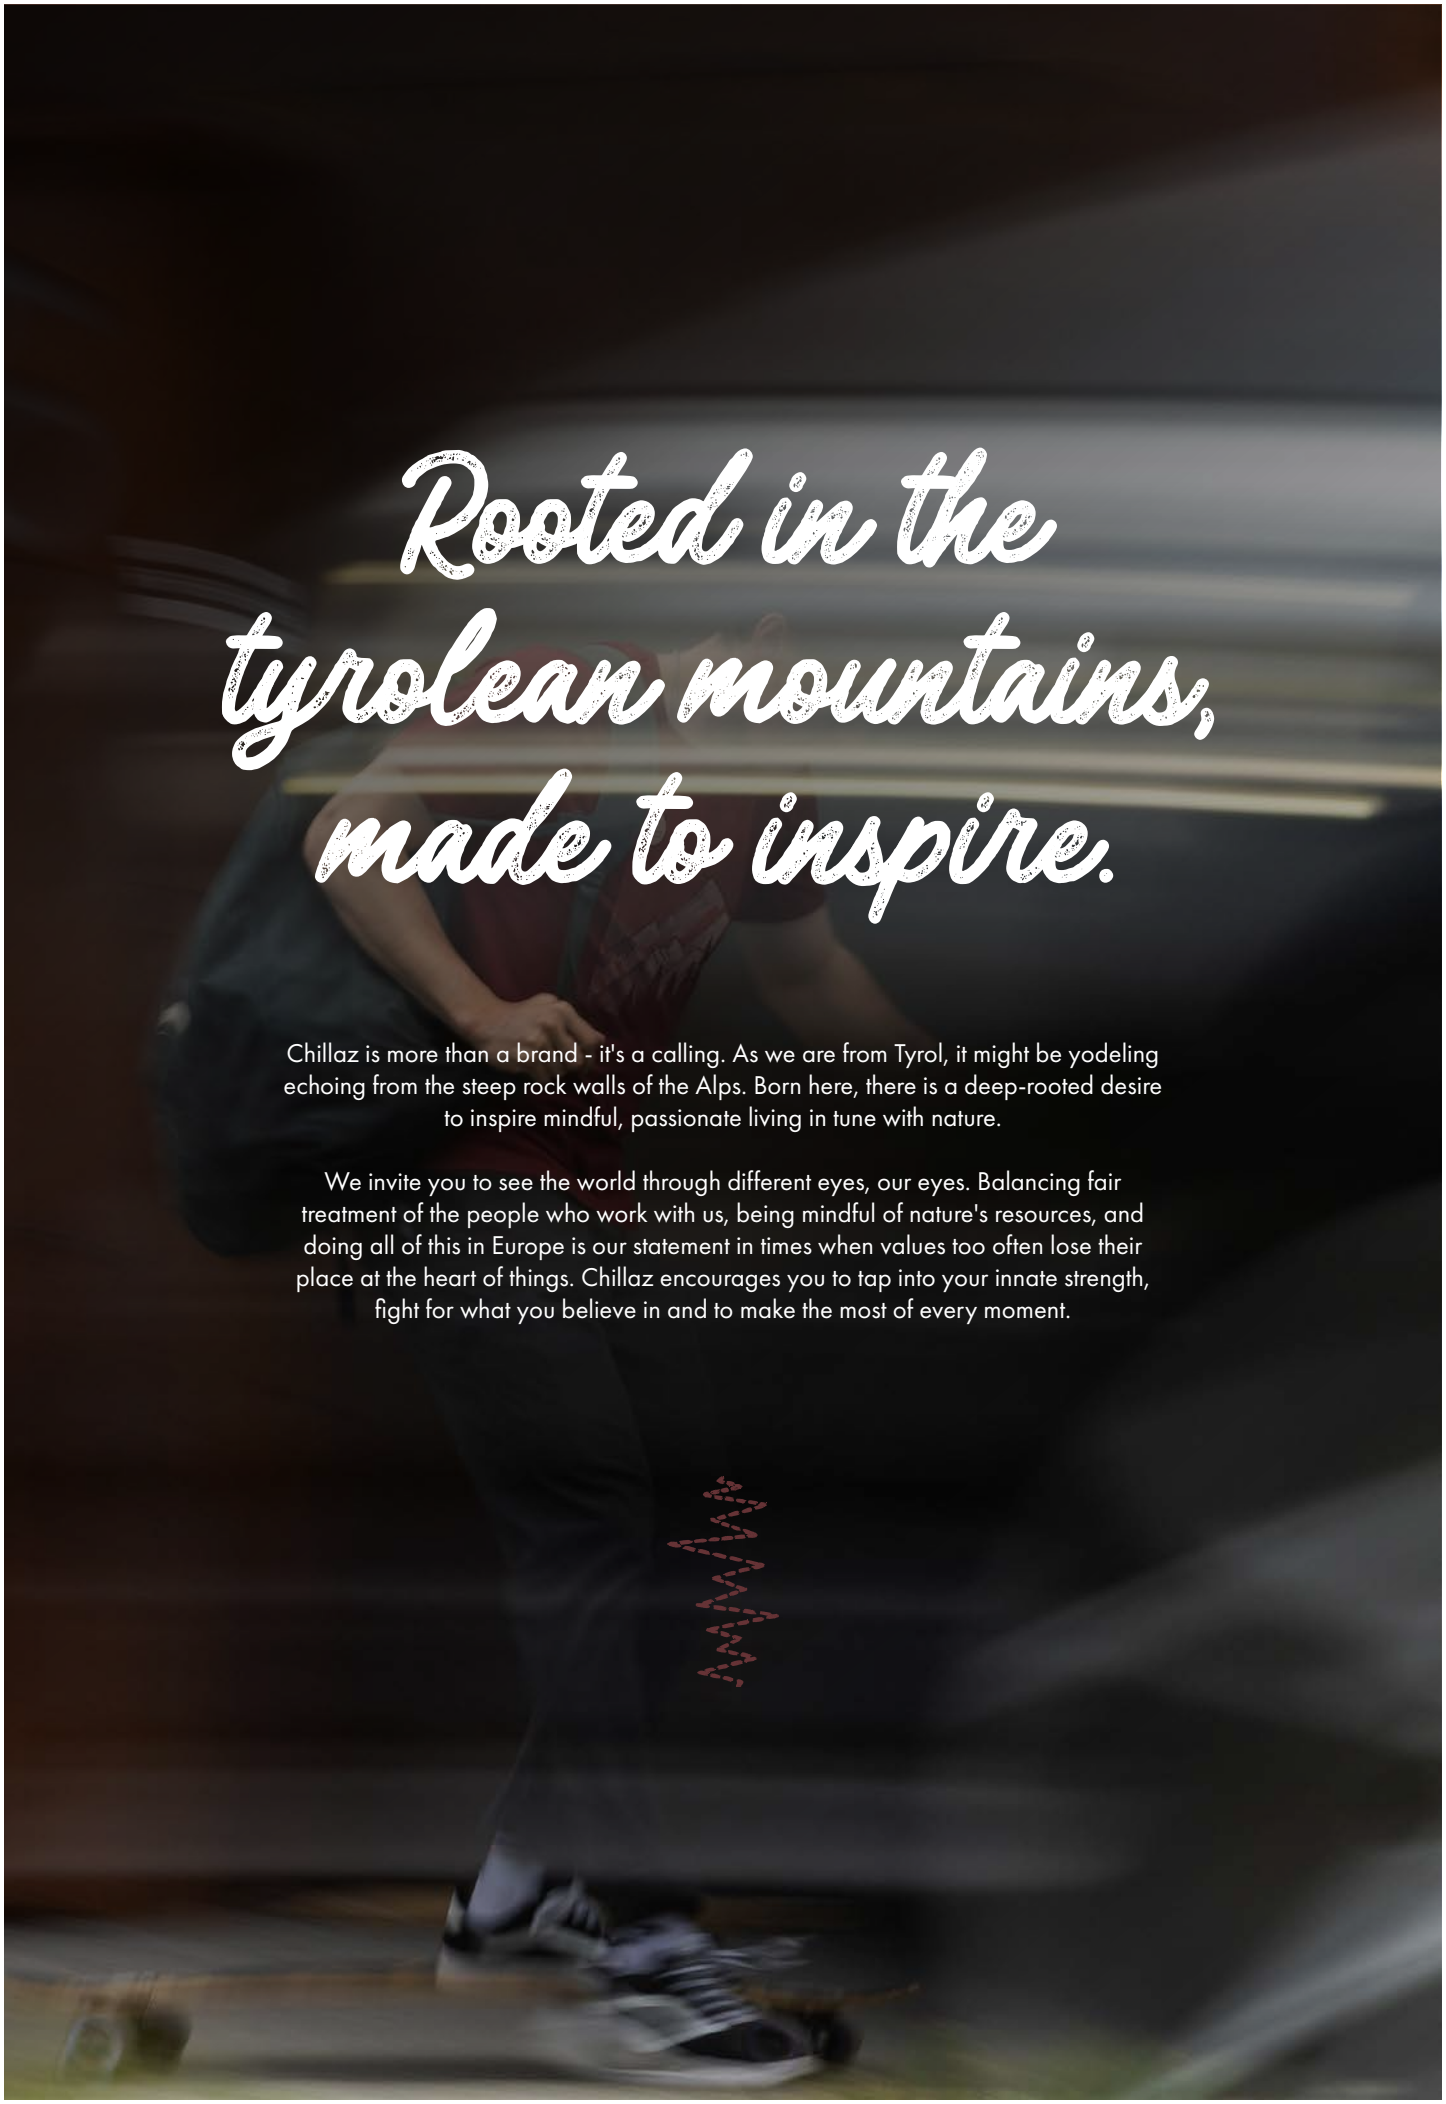

DESIGNED MADE IN EUROPE IN TYROL

WORKBOOK

FALL | WINTER 2026/2027

INSPIRED BY NATURE SINCE 2001

Rooted in the tyrolean mountains, made to inspire.

Chillaz is more than a brand - it's a calling. As we are from Tyrol, it might be yodeling echoing from the steep rock walls of the Alps. Born here, there is a deep-rooted desire to inspire mindful, passionate living in tune with nature.

We invite you to see the world through different eyes, our eyes. Balancing fair treatment of the people who work with us, being mindful of nature's resources, and doing all of this in Europe is our statement in times when values too often lose their place at the heart of things. Chillaz encourages you to tap into your innate strength, fight for what you believe in and to make the most of every moment.

VALENCIA – UPDATED FROM GANDIA

Our Gandia T-shirt got a little update and is now called Valencia. What's new? No more decorative stitching. The fit is a bit straighter and the sleeves are slightly longer.
